GLOBAL INTEGRATIVE MEDICINE CONGRESS 2026

A CONFERENCE ON THE BIOLOGICAL FOUNDATIONS AND CLINICAL APPLICATIONS OF YOGA, AYURVEDA, AND EVIDENCE-BASED INTEGRATIVE MEDICINE

CALL FOR ABSTRACTS

Date: May 1-3, 2026

Venue: Memphis, Tennessee, USA

Website: <https://aaymonline.org/conference2026/>

GIMC 2026 explores how Integrative Medicine grounded in human biology, physiology, and molecular science function as personalized, preventive, and therapeutic medicine

Conference Objectives

- Bridge holistic health and modern medical science
- Present latest research in integrative medicine, PNIE, gut-brain axis, rehabilitation & diagnostics
- Develop evidence-based protocols for diabetes, cardiovascular, metabolic, neurological & stress disorders
- Demonstrate clinical applications across specialties
- Explore AI-enabled wearables for stress, sleep, heart rhythm, diabetes & mental health
- Promote global accreditation standards for Yoga & Ayurveda

Conference Highlights

- Scientific lectures & panel discussions
- Clinical workshops & hands-on training
- Poster & abstract presentations
- Book launches by global experts
- Evaluation of digital health tools
- Panels on integrative oncology, mental health, policy & technology

Call for Abstracts

We invite high-quality research abstracts across all domains of integrative medicine, including Yoga, Ayurveda, clinical applications, diagnostics, rehabilitation, and emerging technologies. Share your research, innovation, or clinical experience with an international audience of medical professionals, scientists, and integrative health experts.

Abstracts Categories

- Yoga & Ayurveda Mechanisms
- Neuroscience & Mental Health
- Cardiopulmonary & Metabolic Health
- Oncology & Immunology
- Diagnostics, Wearables & AI
- Chronic Disease & Rehabilitation
- Women's and Pediatric Health
- Public Health & Integrative Policy
- Traditional Medicine & Evidence-Based Practices

Why Submit?

- Share your research with global experts in integrative and preventive medicine.
- Get your abstract published in leading international journals.
- Network with physicians, researchers, and innovators shaping the future of healthcare.
- Enhance your academic profile and professional visibility.

Awards

- All accepted abstracts will be published in peer-reviewed international journals, offering participants an opportunity to strengthen their CV and academic credentials.
- Participants will receive an official certificate of presentation and publication acknowledgment.
- Top 5 Finalists will receive monetary awards in addition to recognition at the GIMC.
